Dear my beloved, your letter came to me on the 23rd and happily was I to embrace to see you take it upon you self to visit to me and let me know how your friends are. Wefields don’t hear that he is no worst that I hope you or well and all the family give my love to all your brothers. So with Randolph specially I should fit don the house on tuesday that is fixing it we have all the furniture to do yet week is one hundred feet long and 22 feet 8 inches wide yesterday we just had one side of the stuff brought home from the Fuller and that is 25 miles off where it came from. Be in hope that be able to turn home by the 25 of November or first of last.

Turn your obedient servant,

John Hemmings
