

## To join the virtual tour on a Mac:

1. Five to ten minutes prior to the tour start time, click on the Zoom web link in your order confirmation. You may be instructed to download the Zoom application by clicking on the prompt. Click “allow” or “OK” to continue with the various steps of the download. If asked for permission to access the microphone and camera, click “OK”.

2. After downloading Zoom, it may be easiest to go back to your order confirmation and click again on the Zoom link to join the tour. You may be prompted to enter your name at this stage.

## During your virtual tour

For the best guided virtual tour experience for all guests, the following guidelines must be followed:

1. Please mute your microphone: Once you have joined the tour, please mute your microphone by clicking on the picture of the microphone in the lower left corner of your screen.

2. To communicate or ask questions of the Monticello guide, you might need to use the in-meeting chat function on Zoom. Click on the chat icon at the bottom of your screen, and then type your questions in the box on the right.
