

## To join the virtual tour on a personal computer

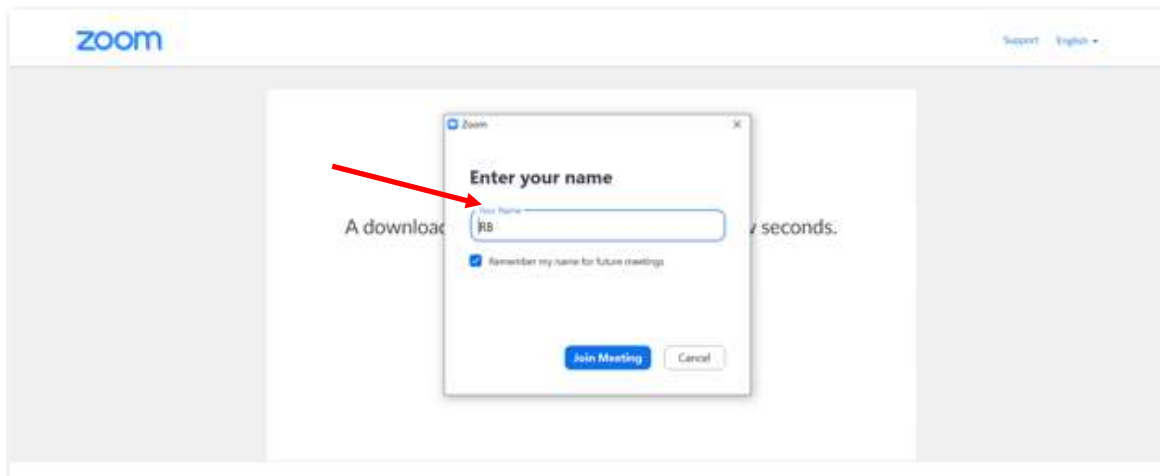

1. Five to ten minutes prior to the tour start time, click on the Zoom web link in your order confirmation. You may be instructed to download the Zoom application by clicking on the prompt.

2. Next, click on "Join with Computer Audio"

3. You might be prompted to enter your name:

## During your virtual tour

For the best guided virtual tour experience for all guests, the following guidelines must be followed:

1. Please mute your microphone: Once you have joined the tour, please mute your microphone by clicking on the picture of the microphone in the lower left corner of your screen.

2. To communicate or ask questions of the Monticello guide, you might need to use the in-meeting chat function on Zoom. Click on the chat icon at the bottom of your screen, and then type your questions in the box on the right.
